Q

The Hon. Sec. O.E.A. has much pleasure in calling the attention of Members to the careful compilation of this Part of the "Eton Register," and to the pains bestowed upon it by the Secretary, Mr. W. CLAY, and his assistants, as well as by MESSRS. SPOTTISWOODE & Co., the Printers. It is hardly possible that no mistakes will be detected, but the Hon. Sec. is convinced that every effort has been made to ensure absolute accuracy and completeness.
